Atlanta, GA. 30328

Revised CSF and label amendment March 18, 2013
Product Name: Omacide IPBC 100 (MUP) Industrial Fungicide
EPA Registration Number: 1258-1225

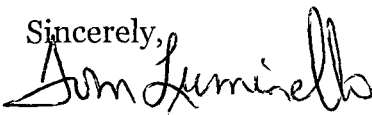

Dear Ms. Square:

The Agency has reviewed your submission in accordance with continuing registration under the Federal Insecticide Fungicide and Rodenticide Act (FIFRA), as amended, and determined the action to be acceptable. In summary, your request to update your basic Confidential Statement of Formula (CSF) has been reviewed and approved. In addition, an alternate formulation (alternate A CSF) dated May 2, 2013 has been proposed and is approved. The basic CSF dated May 2, 2013 will supersede the previously accepted CSF. A copy of our review, D410568, is enclosed.

In addition, you have revised your label to update the active ingredient declaration with the new CSF. In summary, you have revised the Ingredient statement, the PPE and User Safety requirements and the Storage and Disposal instructions. A stamped accepted label is enclosed.

If you have questions concerning this letter, please contact Tom Luminello by telephone, (703) 308-8075, or by e-mail at luminello.tom@epa.gov.

Sincerely,

for Jacquie Hardy
Product Manager 34

OMACIDE® IPBC 100 (MUP) Industrial Fungicide

ACTIVE INGREDIENT: 3-Iodo-2-propynylbutylcarbamate..... 98%
Inert Ingredients 2%
Total..... 100%

KEEP OUT OF REACH OF CHILDREN DANGER

SEE FIRST AID AND ADDITIONAL PRECAUTIONARY STATEMENTS ON SIDE PANEL

FIRST AID:

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a Poison Control Center or doctor for further treatment advice.

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER. Corrosive. Causes irreversible eye damage. Harmful if swallowed, absorbed through skin, or inhaled. Do not get in eyes, on skin, or on clothing. Avoid breathing dust.

PERSONAL PROTECTIVE EQUIPMENT: Users must wear goggles or face shield, long sleeved shirt, long pants, chemical-resistant gloves and shoes plus socks. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions exist for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

USER SAFETY REQUIREMENTS:

Users must wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Remove personal protective equipment immediately after handling this product. Wash the outside of gloves before removing. Follow manufacturer's instructions for cleaning/ maintaining PPE. As soon as possible wash thoroughly.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, ponds, streams, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons.

For manufacturing use only in the formulation of end use products in the following applications:

- Solvent and waterborne based paints, stains, & latex emulsions.
- Aqueous metalworking, cutting, cooling, and lubricating fluids and concentrates.
- Aqueous, solvent & non-solvent based systems such as natural and synthetic adhesives, caulks, patching compounds, sealants, grouts, latexes such as SBR/latex used in the manufacture of flooring adhesives or carpet backings.
- Plastic items such as shower curtains, cable and wire insulation, sun umbrellas, polymer furniture, filter media, polymer components of carpets, etc.
- Aqueous and solvent based coatings or dyes which are applied to paper and cardboard substrates.
- Aqueous based ink solutions.
- Wood preservation for above ground application

Formulators using this product are responsible for obtaining EPA registration of their formulated product.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: This material has a tendency to pack into hard lumps due to its low melting point. Storage temperatures below 90°F (32°C) and above 32°F (0°C) are suggested.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER HANDLING:

[BULK BAG OR SUPERSACK: Completely empty contents into application equipment.]

[FIBER DRUM: Completely empty liner contents into application equipment by shaking and tapping sides and bottom to loosen clinging particles.]

{All container types}

Non refillable container. Do not reuse or refill this container. Offer for recycling, if available or dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.]
